# CLASSIFICATION AND DEFINITION OF MEMBERS, INSTRUCTORS AND REFEREES

British Taekwondo classifies and defines its members, instructors and referees as described in the following sections.

---

## (1) NOTES

- (1) Within the UK, BT Member Clubs and individual members are not permitted to have membership of any other WTF-style organisation or club in the UK or associated territories (Isle of Man, Gibraltar, Channel Islands) that purports to practice *kukki-taekwondo* (WTF-style taekwondo).
- (2) All individual members of a Member Club or a Member Group must possess current membership of British Taekwondo. British Taekwondo membership insurance is valid when all persons who train or compete together are insured under the same policy. Clubs must therefore register *all their members* with British Taekwondo, not just those that wish to enter competitions or sit dan or poom promotion tests.
- (3) There has, in the past, been an irregular practice where some non-British Taekwondo clubs registered only their competitors, through existing British Taekwondo clubs, in order to gain access to British Taekwondo events. This is not allowed. Clubs that are not already Members of British Taekwondo and wish to join, must affiliate to British Taekwondo and must register all of their members, not a selected few.
- (4) Member Clubs or Member Groups may not register individual members of non-British Taekwondo clubs. Members of non-British Taekwondo clubs may only register as British Taekwondo members if the whole club joins British Taekwondo.
- (5) Insurance cover of any type ceases on the expiry date shown on the membership and insurance receipt and any BT issued certificate. Therefore members, instructors, coaches and referees must renew at least three weeks before expiry date to enjoy continuous cover.

---

## (2) MEMBER

The membership fee includes free insurance cover.

- (1) Instructors and Referees are also covered by the member regulations.
- (2) There is no minimum age for insurance cover.
- (3) Members are required to have a current BT membership while training at a BT club.
- (4) Members insurance does not cover a member as an instructor, assistant instructor, center Referee or to grade. Members are insured as a Class Assistant.
- (5) Members over 75 years old are not covered for personal accident but are covered for public liability.
- (6) The member's insurance does not cover the member to compete or train at clubs that are not affiliated to British Taekwondo.
- (7) Members are not permitted to train with, teach or coach any other WTF-style organisation or club in the UK or associated territories (Isle of Man, Gibraltar,

Channel Islands) that purports to practice WTF-style taekwondo or *kukki-taekwondo*.
